

Guide to Transfer of Securities

Dear Investor

Please follow the instructions below for transferring your shares between Clearing and Depository Services (CDS) and Al Mal Securities LLC (AMS):

- 1- Download and complete the “Transfer of Securities between CDS & Broker” Form
- 2- Ensure that the signature appearing on the Securities Transfer Form is consistent with the signature kept in the records of the respective markets
- 3- Present the Securities Transfer Form at the counters of AMS
- 4- Ensure that subject securities are free of encumbrance and are available for transfer from the CDS or AMS

Note: AMS does not accept transfer of shares applications directly to and from other brokerage companies; transfer of shares applications are only accepted between CDS and AMS.
